This Month's Dojang News

TO ALL!!! April 1st marks the 2ND YEAR we have been in our new school location. We have had the great fortune of meeting lots of new students, mixed with existing Students. Remember that YOU are, what makes the school thrive. Although many of you are small in stature, you continue to surprise me with your commitment to your training and continued thirst for knowledge. Your enthusiasm has brought a gift to the school and the commitment with which you train outshines many color belts, (Blackbelts included), I have known over my 20 years with Master Steinhauser and the Southern California Tae Kwon Do Academy. With continued dedication to your training and the great instruction from Master Steinhauser, we will continue to make The Southern California Tae Kwon Do Academy one of the longest running Traditional Tae Kwon Do Schools around...
