This Month's Dojang News

Last month I thoughtlessly (without thinking, not without caring) didn't include Master Steinhauser's Birth date, which is March 21st, in the newsletter. So please extend Birthday wishes to him this month, he loves it! TO ALL!!! April 1st marks the 3rd Year our school has been in this location. We have had great fortune with meeting new students, integrating with existing Students. Each one of you continue to surprise me with commitment to your training and continued thirst for knowledge. Remember that YOU are what makes the school thrive. Your enthusiasm and commitment with which you train, is a gift to OUR school. With continued dedication and the fearless instruction from Master Steinhauser, we will continue to make The Southern California Tae Kwon Do Academy, since 1975, one of the longest running Traditional Tae Kwon Do Schools around...
