This Month's Dojang News

Again last month without thinking, not without caring, I didn't include **Master Steinhauser's Birthdate on March 21st**, in our newsletter. So please extend Birthday wishes to him this month, he loves it! TO ALL!!! April marks the 4th Year our school has been in this great location. We have had great fortune of meeting new students, integrating with existing Students to make The S.C.T.K.D.A. Family. Each one of you continue to impress, with commitment to your training and continued thirst for knowledge. Remember that YOU are what makes our school thrive. Your enthusiasm and perseverance with which you train, is a gift to yourself and to OUR school. With unrelenting dedication and fearless instruction from Master Steinhauser, we will continue to make The Southern California Tae Kwon Do Academy, one of the longest running Traditional Tae Kwon Do Schools around..
